

# How to report serious cyber bullying

## Save evidence

Take screenshots or photos of any content. Make sure you note down webpage addresses and usernames.

## Report

Always report to the webpage or games online service. You can also report to **esafety.gov.au**.

## Stop Further contact

Block or mute messages from the other person and do not reply to any future contact from them.

## Get more support

Talk to a trusted adult, parent or teacher about anything that is upsetting you online.
