What is YOU CAN SHARE WITH ME?

YOU CAN SHARE WITH ME is a kindness and sharing program for little learners. It's about helping children feel welcome, included, and happy while playing with others. Sometimes someone might feel left out or not sure how to join in. When we say "You can share with me," we are saying:

"I see you. I care about you. You can play with me."

When we share toys, time, games, and smiles, we help others feel like they belong.

What do I say if someone wants to share with me?

It's easy! You can say:

- “Yes, come and play!”
- “Let's build together.”
- “Would you like a turn?”
- “You can use this when I'm done!”

And if someone looks sad or unsure, you can say:

- “Are you ok?”
- “Would you like to share with me?”
- If someone is upset or angry, let your teacher or an adult know. They are there to help.

How do I know if I'm ready to share?

Before you decide to say, “You can share with me,” ask yourself:

- Am I having a good day today?
- Do I feel ready to help others?
- Am I happy for anyone to join me—no matter who they are?
- Can I wait and take turns today?
- You don't have to say it every day. Only say it when you feel strong and ready.
